

**For the Attention of the Parents of Primary Children for the school year
2020-2021 - classes 3, 4 and 5**

Book fund

The English Section requests that parents pay **30 euro** per child, directly to the class teacher. The teacher will then buy the required books for a given class or subject. Receipts will be issued and full accounts recorded.

Second language (French and German) books will remain on the L2 list and will need to be bought individually.

The “Intermath” books for Mathematics are compulsory for every pupil and will be charged by the Administrator in the school fees for 20 euro per school year.

SWALS pupils

Within the 30 euro book budget, SWALS children will be provided with the relevant resources to access the school curriculum. This excludes mother tongue books.

Kind Regards
The Anglophone Section
